

## Appendix 7 Declaration – tree species with restricted use (O36)

Name of the applicant/supplier:
Name of building with Nordic Swan Ecolabelled Building operations (filled by applicant):
Version and date of the list of restricted tree species used

*The declaration must be completed at the time of application and remains applicable for all building operation procedures throughout the validity of the licence:*

It is hereby confirmed that no tree species on the list of restricted tree species will be procured or used in the operations, maintenance work, improvement of the building, tenant adaptations in the building, supplementary buildings or outdoor areas within the Nordic Swan Ecolabelled Building operations.

It is hereby confirmed that no tree species on the list of restricted tree species are used in the wood-based products.

The list of restricted tree species is located on the website: <https://www.nordic-ecolabel.org/declare-items/pulp-and-paper/forestry-requirements/forestry-requirements-2020/>.

### Signature

Date	Company
Name of contact person	Signature by contact person
Phone	E-mail

A correctly signed declaration can result in the acceptance of the use of the construction product in Nordic Swan Ecolabelled Building operations. This shall not be mixed up with Nordic Swan Ecolabelling of the construction product.
