

# Prohibited and restricted tree species

Product groups: 089 New buildings (generation 4), 102 Renovation (generation 2)

The declaration applies to construction products used in Nordic Swan Ecolabelled applications.

Name of the product/project
Manufacturer/applicant
Type of construction product/building

The declaration is completed and signed by either the manufacturer of the construction product or the applicant of the Nordic Swan Ecolabelled project, based on their knowledge at the time of the declaration, and based on tests and/or declarations from raw material manufacturers, with reservations for new advances and new knowledge. Should such knowledge arise, the undersigned is obliged to submit an updated declaration to Nordic Ecolabelling.

It is hereby confirmed that no tree species on the list of restricted tree species are used in the product/project.

If tree species listed in either b, c, or d are intended to be used in the project, this must be documented by the supplier of the specific tree species. Tree species listed in either b, c or d cannot be used in the item/project without prior approval by Nordic Ecolabelling.

The list of restricted tree species is located on the website: <https://www.nordic-ecolabel.org/declare-items/pulp-and-paper/forestry-requirements/forestry-requirements-2020/>.

We accept the Nordic Ecolabelling [Terms and Conditions for Declarations](https://www.supply-chain-declarations.org/new-buildings-089/) found at <https://www.supply-chain-declarations.org/new-buildings-089/>

## Signature of the manufacturer/applicant

City and Date	Company
Name of the contact person	Signature by the contact person
Phone	E-mail

A completed declaration can result in the product becoming a Declared Item; An item where properties specific to requirements have been declared by the manufacturer and are available for use in Nordic Swan Ecolabel applications.
