

Appendix 4 Declaration from supplier of water treatment products (O9)

This declaration must be completed by the manufacturer/supplier of water treatment chemicals used in Nordic Swan Ecolabelled wash installations for vehicles.

This declaration must state that the chemical products used for water treatment (e.g., chemical separation, pH regulation, combating microorganisms) do not contain organochlorine substances or reactive chlorine compounds that may form organochlorine metabolites.

Overview of products:

Name of water treatment product	Manufacturer

Does any of the water treatment products above contain organochlorine substances or reactive chlorine compounds that may form organochlorine metabolites?

☐ Yes

☐ No

Signature of the supplier of water treatment products:

Date	Company name
Phone	E-mail
Name (contact person, capital letters)	Signature (contact person)
